

## SERVICE ANNOUNCEMENT

Telemarketers have been calling residences in our area under the Volunteer Firefighters Alliance and asking for donations. They have been using the names of area fire departments in the call. Specifically I know Jefferson and Edgerton departments have been referenced. These are unauthorized solicitations. They are also asking for donations for coats and also trying to get permission to inspect smoke alarms in the residences. If you hear of anyone receiving these telemarketer calls please let Terry-Chief Cambridge FVD know.
